Re: Application Serial No. 10/018,104
Our Reference: DN1999253USA

Gentlemen:

Regarding the above-reference application, it has come to our attention that the filing date is recorded as 11/05/2001. We believe this is an error as our records indicate that the express mail filing date was 12/05/2001. This is as evidenced by a copy of the filing receipt and the postcard from the U.S. Patent & Trademark Office. We would appreciate a corrected filing receipt be issued.

If you have any questions, please contact me at 330-796-6389.

Thank you for your assistance in this matter.

Very truly yours,

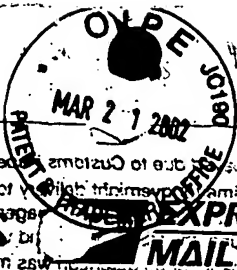

David L King
